

# STATE OF NEBRASKA DEPT. OF AGRICULTURE

## 62<sup>nd</sup> Annual Rocky Mountain Regional Turfgrass Association Conference & Trade Show Crowne Plaza DIA, Denver, CO December 8 – 10, 2015

This meeting has been approved for persons desiring recertification in the Ornamental and Turf (04) category. Pesticide Applicators from Nebraska can meet their recertification requirements in this category if they attend ALL of the following. This is approval for recertification, not initial certification.

Tuesday, December 8:            8:00 am – 5:00 pm: Workshop #4 Commercial Applicator Test Prep Course

Thursday, December 10:       Sessions of your choice

Participants will have to complete an attendance verification form with their name and license number and complete a separate roster at the CEU desk at the conference. If you wish to use this conference attendance as a means of recertification, you will be contacted by the NE Department of Agriculture and provided recertification request forms which you must complete and submit. .

Persons attending this meeting can renew their certification but will need to return a recertification request form and remit fees prior to being issued an extension to their pesticide applicator license.

Reciprocal Nebraska licenses CANNOT be renewed at training! Applicators must submit a reciprocal application form located at: <http://www.agr.ne.gov/forms/p57.pdf>
